

PIRRAMIMMA

2004 late harvest riesling

From time to time, Pirramimma's 3rd generation owner and winemaker, Geoff Johnston, releases a very special wine. This 2004 late harvest riesling is just such a wine.

This year we had typical summer/autumn conditions for the region i.e. dry and warm with virtually no rainfall. Apart from the odd hot day, mild ripening conditions directly contributed to the excellent quality of the 2004 Vintage. McLaren Vale as a grape growing region has once again demonstrated its consistency and reliability with another quality vintage.

Alcohol:	11.5%
Acid	8.2 g/litre
pH:	2.98
Residual sugar:	126 grams per litre
Bottled:	October 13, 2004

WINEMAKERS NOTES

Showing honey and apricot flavours on the nose, this is a complex wine with a fresh yet gently lingering finish.
