

# PIRRAMIMMA

# STOCK'S HILL

2006 McLAREN VALE  
CHARDONNAY

**Pirramimma** was founded by Alexander Campbell Johnston in 1892 and has been owned and operated by the Johnston family ever since.

The vineyard soils vary from sandy, on the rise, to rich dark loam on the flat. Chardonnay is the largest single white grape planting on the estate.

Pirramimma's cornerstone philosophy is to produce wines from grapes grown in its own family estate vineyards, thus ensuring that the highest possible quality standards are met, and that the wines showcase the unique regional characteristics of McLaren Vale.

This elegantly structured wine was produced from grapes grown exclusively on our family vineyards.

Light straw in color with green tinges, the nose shows full peach and melon aromas with hints of grapefruit, while the palate is rich and creamy. The finish is long and flavorsome.

Excellent drinking now, or will reward with careful cellaring for two or three years.
