

PIRRAMIMMA

STOCK'S HILL

2004 McLAREN VALE

SHIRAZ

Pirramimma has long held an enviable reputation for the quality and full bodied richness of its estate grown Shiraz. Third generation owner and winemaker **Geoff Johnston** has over 20 years of experience making exceptional wine from the family's 35-year-old shiraz vineyards.

The grapes for this flagship wine – concentrated, classic McLaren Vale Shiraz - are grown on Stock's Hill, the most elevated vineyard on the Pirramimma Estate.

Maturation is completed during 12 months in selected American oak barrels – the combination of premium fruit and mature wood producing a wine of outstanding complexity.

The 2004 shows lifted spice and pepper shiraz fruit together with sweet vanillin oak. The palate is dominated by rich spicy fruits and has a generous soft tannin finish.

This wine is made to enjoy now but will continue to develop in the bottle and will cellar well in the medium term.
