

ARIS

2005
First Release

Petit Verdot Port

This handcrafted, artisan port was made from petit verdot grapes grown in the western hills of Yolo County in Northern California.

Once in our cellar, the grapes were hand-sorted and foot-pressed. The fermentation was stopped using our own solera wood-aged spirit.

ARIS has a deep, sensual aroma of dark fruit. On the palate, layer upon layer of blackberry and earthy notes intermingled with a dusting of pepper and spice. The finish is clean but wonderfully lingering. This is an exceptional port.
